Weekly Trash Collection

When should I set out my trash? Be sure your cart is out at the curb by 7:00 am on your collection day to ensure collection. Or, you may set your cart out after 7:00 pm the night before your collection day.

Where do I place cart for service? Proper placement is extremely important. Please roll your cart within two (2) feet of the edge of the street. Make sure when cart is lifted, the lid opens toward the street. Please check to see that the cart is not obstructed by any vehicles. The post master requires that the cars be placed far enough away from the mailbox that the carrier can deliver the mail without interference.

Who do I call for cart repairs? Call Allied Waste Customer Service Department for repairs or replacement at (254) 221-4416.

Please do not let your trash overflow
Everything must fit inside the cart with lid closed.
Trash bags placed next to cart will **NOT** be pick-up

Need an additional trash cart? You may request additional cart to be delivered by calling City Hall at (817) 641-3336. There is a nominal monthly fee of, \$3.49 Inside City Limits or \$5.23 Outside of City Limits.
